AN 8- DAY EDUCATIONAL TOUR AND YOUTH LEADERSHIP DEVELOPMENT PROGRAMME

Introduction

Summit School of Leadership and Management (UK) in partnership with Golden Heritage Ventures (Nigeria) is providing youths in Educational Institutions with the opportunity to develop their innate leadership skills. We are therefore organising an 8-day retreat programme tagged “Educational Tour and Youth Development Programme” in the United Kingdom.

Objective

Since the youths are the future leaders of any country, it behooves on the system to put the youths through proper leadership drills and skills with the aim of bringing out the best in them. Summit School of Leadership and Management (UK) in partnership with Golden Heritage Ventures (Nigeria) therefore afford the youths the opportunity to discover their talents in leadership through professionals who will coach them with the objective to bring out and polish the skills in the youths.

Aim

The course would be packed with focused lectures and outdoor activities directed toward equipping participants with the necessary skill needed for future leadership roles. The tour also, offers participating youths a retreat with professional leadership trainers who will give lectures on right leadership skills and team spirit. The tour will also afford the participating youths the opportunity to see first hand great monuments in the UK like the Buckingham Palace (Home of the Queen of England), Madame Tassaud (Wax Museum) and many other places of interest.

Benefits

The benefit of this tour need not be over-emphasised as it would help develop youth self-confidence, leadership skills, teamwork spirit and other educating experience.

Each participant is entitled to Certificate of Participation at the end of the programme.

Date: The 8-day tour will fall between 1st August and 8th September, 2018.

Cost/Fee: N600,000.00 (Six hundred thousand Naira) only per participant **excluding Visa Processing fee.** Each participant is expected to process his/her visa application on individual basis.
